\$375.00

Credit Card forms attached to this email

What is a Reverse Tradeshow?

The Reverse Tradeshow is a GNOHLA's signature approach to the traditional trade show. Proven successful, this format allows allied members to meet with hoteliers one-on-one and in one location. General Managers and representatives from various hotels will be seated at tables while allied members rotate through, presenting their company's products and services, and making valuable contacts within the industry.
