Safety & Employee Protection

HELPING SOURCE HARD TO FIND PPE

GUIDELINES FOR BUSINESS

Reducing the risk of exposure to COVID-19 by cleaning and disinfection is an important part of reopening public spaces that will require careful planning. Every American has been called upon to slow the spread of the virus through social distancing and prevention hygiene, such as frequently washing your hands and wearing face coverings. Everyone also has a role in making sure our communities are as safe as possible to reopen and remain open.

LESS THAN \$14 PER EMPLOYEE

This "Getting Back to Work - PPE KIT" will take care of **50 employees for 30 days!**
