-  Pricing - Depending on the individual needs, our pricing ranges from \$.05 to \$.75 per sf. Call a Sales Representative to quickly have a scope and price for the affected areas.

## CDC RECOMMENDATIONS

### *Proactive Steps*

Cleaning - Perform environmental cleaning with disposable wipes

Hand Hygiene - Everyone should be using hand sanitizer or washing hands for 20 seconds.

Sick Time - Anyone with a fever stay home & monitor key positions to ensure continued operations.

Cleaning Staff - Ensure they are wearing and discarding disposable gloves when cleaning a surface.

Develop Information System - Keep your employees, tenants and residents informed; request if their family members become ill they inform their supervisor.
